Sunshine Coast music, art & culture

Gig guides, venue love, artist stories
and things worth leaving the house for.

HOW GIGS GET INTO THE GROUP CHAT

YELO puts local gigs, venues and artists in front of Sunshine Coast music audiences when plans are being made:

- what's on this weekend
 - where should we go
 - what should we drop in the group chat
 - what keeps popping up

Seen on **YELO** → sent to the group chat → turns into a plan.
